

OPaL at CHEMCON

OPaL was the lead sponsor of 70th Chemical Engineering Congress - CHEMCON 2017, organised by the Indian Institute of Chemical Engineers at Haldia, West Bengal.

Shri Saumya Chakrabarti, OPaL's Chief Operating Officer, was honoured with the prestigious IIChE award of **"CHEMCON Distinguished Speaker 2017"** in this Annual Flagship event. The theme of the event was "Versatility of Chemical Engineering to meet Societal Challenges" wherein Chemical Engineering Fraternity from all over India and Abroad shared their Knowledge and expertise on Chemical Engineering and developments happening in the field. The event hosted international symposia plenary and CDS lectures by eminent persons from chemical engineering and allied fields. The forum also offered an opportunity for an enlightened discussion on emerging technologies and methodologies for economic development pertinent to clean and sustainable environment. OPaL looks forward to strengthen its association with many such industry related events in upcoming years.
