

OPaL organises an “Awareness Session on Cancer”

ONGC Petro additions Limited (OPaL) conducted an Awareness session on Cancer on 21st February, 2018 at TDMC-Dahej site. Total of 35 participants from the plant attended the session.

With rising number of people suffering from Cancer in society - World Health Organization observes ‘World Cancer Day’ on 4th Feb every year for Awareness of the illness. To commemorate with WHO theme and impart knowledge on the subject, OPaL invited Dr. Jigar Patel (Oncologist) for conducting the session.

Cancer is a sensitive subject & associated with fear, misconceptions and stigma. So, the session aimed to address important aspects of cancer like warning signs, myths about cancer, prevention methods etc. and ended with an interactive Q&A session with the participants.

Mr. Saumya Chakraborti, (COO), Mr. Arup Jhampri (Head-Cracker), Mr. Lalitesh Kumar (Head-CTS), Mr. Rajiv Vijay (Head-U&O), Mr. Vikas Agarwal (Head-Maintenance), Mr. A B Karmakar (Head MM) were also present during the session.

For more details on the subject, please find enclosed an informative PPT.

Glimpses of "Awareness Program on Cancer" 21st February, 2018
